

## Praying for Missionaries

“If we truly love people, we will desire for them far more than it is within our power to give them, and this will lead us to prayer.”

- Richard Foster

At Central, we are a praying church. We aim to grow to pray more intentionally for missionaries and mission partners that we support. Ways to pray include:

1. Choose one mission and leader and pray for them daily
2. Contact the person you pray for and ask how we could pray for them
3. Pray for more than one mission partner.

If you would like to choose a person to pray for, it would help us by knowing. Please email us at [cumc@centralmethodist.com](mailto:cumc@centralmethodist.com). We can provide contact information for each mission partnership or if you have questions.
